

Mitchell Boy, 9, Hit By Car, Killed

Terry J. Sidwell Was
Crossing Highway After
Visiting Schoolgrounds

A young Mitchell boy was killed about 6 p.m., Monday when he was struck by a neighbor's car on U.S. 66 about a block from his home.

Proclaimed dead on arrival at St. Elizabeth Hospital was Terry James Sidwell, nine-year-old son of Mr. and Mrs. Simon Sidwell of 161 Voight place. He was a second grade pupil at Mitchell school. His family has lived in the neighborhood three months, moving here from Cottage Hill.

State police identified the driver as a neighbor, Donald Kiel, 29, of 156 Voight place. He said he didn't see the child until the car struck him.

An inquest is pending. The boy's death is the 20th traffic fatality in the Quad-Cities this year.

Tried To Work Signal.

The father, a laborer at a contracting firm, said he was told the boy punched the control button in the electric traffic light in front of Mitchell school. The light didn't work. It goes off about 4 p.m.

According to police, the boy ran across the highway into the path of the car. Kiel was traveling east.

The boy's father said his son had returned home with him from the store about 10 minutes before the accident. Mr. Sidwell said he thought the boy was going to stay home to watch television but that he apparently left without telling anyone.

Survivors include the parents, four brothers and sisters, and aunts. Terry had two brothers, Larry and Jerry Sidwell, 14 and 12, and two sisters, Mary and Betty Sidwell, 10 and 8. The family also includes a step-sister, Mrs. Verna Mae Davis of Fortuna, Calif., and a step-son, Robert, 10, of St. Louis. Other relatives include Mrs. Margaret Sidwell of Greenville, Ill., and paternal grandmother, Mrs. Lillie Mae Sidwell of Potosi, Mo.

Funeral arrangements are in the hands of the family.

3 Hurt In Crash

Three persons were injured in a two-car collision at 4:30 p.m. Tuesday on Highway 203, one-eighth mile north of Bend road near Madison.

James Quinlan, 72, of 1329 Carr street, the driver of one car, suffered cuts to his head. His granddaughter, Cathy Nolan, four, some abrasions to her head and scratches on her chest.

A second passenger, Miss Ardelia Hubert, 24, Quinlan's stepdaughter, was not injured.

The driver of the second car, Harold Cavitt, 26, of 2905 Maryville road, was knocked out and suffered a small cut on his forehead and left leg scratches. He complained of a stiff neck.

**\$2000 Fire At House
Owned By Caninores**

A fire caused \$2000 damage at the home of Mr. and Mrs. Harvey Caninores, 2409 Cardinal avenue, at 8:10 a.m. today after they had left for work.

The fire was located in the living room where two pieces of upholstered furniture were burned. There was smoke damage throughout the house, and windows were blown out. The damage included \$500 to the contents and \$1500 to the building.

Firemen from the Namekoi station, who were called to the scene, said the cause was unknown.

Some Revision Of School Insurance Handling Planned

Plans were made Tuesday night to revise handling of the Granite City school insurance program while retaining the Tri-Cities Independent Insurance Agents Association in its 30-year role as the school district's insurance consultant.

Specific steps to be followed will be determined by the board later, but it was indicated that bids requested by the association are to be submitted directly to the school office. After tabulation, they will be turned over to the association for detailed analysis and advice prior to board action.

Representatives of the insurance group stressed that all actions they have carried out have stemmed from instructions by the school board, although possibly not the present board membership.

Board To Set Policy

They also gave assurance that they will be guided entirely by board policy in the handling of insurance, including the inclusion of mutual as well as stock firms, if so instructed.

J. W. Senef, Travis Giffin, Herman Mueller and Robert J. Rauland represented the independent agents at the school board meeting, and those present from the Country Mutual Insurance Co. were Robert Brave, John Swanson and James Chambers. Brave urged that bid requests be published.

A lengthy discussion brought out that the school's present insurance coverage is regarded as both complete and inexpensive, and Board Member Robert Spencer recalled that the Granite City board had been highly praised at a Dallas, Tex., school conference at which insurance was a major topic.

Hiring Factors

Suppt. Harold M. Kaiser was permitted to withdraw a recommendation for hiring of a cafeteria worker, pending a new study of factors to be followed in establishing eligibility lists.

Dr. Kaiser reviewed progress of negotiations on the pay and working conditions of custodians and cafeteria employees, possibility of working toward eventual elimination of the pay for some cafeteria workers related to seniority rather than to duties.

Insurance, cook employment policies and the negotiations are expected to be discussed at next Tuesday's regular school board meeting, along with possible Ohio transfers to the army depot and purchase of back school uniforms and shoes.

Deadline 5 Days Away

Faced with a Dec. 1, state-set deadline to show proof of a bond issue to build a sewage treatment plant, the Special Pollution Study committee has been urging fast action to keep the deadline.

Representing Tri-City Port

**Ranft To Accompany Kerner
On European Trade Mission**

Carl A. Ranft, chairman of the Tri-City Regional Port District, this week accepted an invitation from Gov. Otto Kerner to accompany him on a trade mission to Europe.

Ranft will be one of three Illinois delegates to the 1963 European trip Oct. 17 to Nov. 6, and will be accompanied by Mrs. Ranft.

In his letter to Ranft, Gov. Kerner stated: "I expect to meet high level representatives of the maritime transport industry in Europe and determine what steps they feel are necessary to stimulate growth of traffic on the St. Lawrence Seaway, the Port of Chicago and our inland waterway system."

"You will be one of three specialists who will accompany me during these special conferences. The others will be Mr. William B. Miller, a marine attorney and chairman of the Port District's committee of Commerce and Industry, and Mr. Frank Rathle, vice-president for transportation at the Continental Illinois National Bank and Trust Co. of Chicago."

Beneficial To Port Here

Commenting on the trade mission, Ranft said it should provide impetus to the development of the proposed multi-million dollar harbor by the Tri-City Port District along the Chain of Rocks canal.

He added that a list of export items which could be handled by the Tri-City Port is being compiled to distribute to European businessmen, manufacturers and shippers. "This could prove of benefit to the port here."

Rainfall Rare Last Month—Only .05 Inch For Quad-Cities

Rainfall—a rarity in the Quad-Cities last month—has not been of a measurable amount since the 28-inch which fell on Sept. 12. The monthly total of .05 inches for nine months is 7.18 inches below normal.

Rain was recorded on eight days last month—but on five days only traces of precipitation (less than a hundredth of an inch) were noted.

In September, only 1.05 inch was recorded in the 30-day period at the gauge on the Chain of Rocks canal locks wall, maintained by the U.S. Army Corps of Engineers.

Normal rainfall in September for the Quad-Cities had some 18 days without any appreciable rain. Lawns and tree leaves took on an autumn look about mid-September—not from frost, but because of the lack of moisture in the ground. It was noted by Quad-Cities.

Special GC Council Session Still In Air

Mayor Says Unlikely;
Will Present Bond Atty.
Resolution On Monday

A special meeting of the Granite City council this week for the purpose of selecting a bond attorney for the city's sewage treatment plant construction, still was pending at noon today. At least a 24-hour notice must go out to the aldermen.

Mayor Dennis said, "It appears likely there won't be a special meeting since I haven't received a request from the mayor's staff."

The mayor said he will submit the name of former city attorney William Henry for the bond job at next week's regular Monday night meeting, or at a special session on Saturday.

Urging a special meeting for Friday night is Alderman Mrs. Gabrielle Betts, who advised from Aldermen Cassner, Skubish and Edmond Bartosik.

Unable To Confirm

The mayor said today he was unable to reach Skubish for confirmation and that Bartosik was to let him know for certain.

Should the mayor receive confirmation later today, a special meeting still could be called for 7 or 8 p.m. Friday. There also has been talk of a possible special session on Saturday.

It was proposed at last Thursday's special session that another meeting be called for this week.

Betts, who had been selected for the bond attorney post, said many drivers now shy away from the hazardous trucks which are in the center lanes of the four-lane viaduct.

Project Date To Be Set

Work will start 10 days after the highway engineers authorize the work. The improvement will begin at about second street in Madison and extend across the viaduct to the driveway at the Venice-Madison American Legion post, 307 headquarters.

The tracks have not been laid since the trolley service was discontinued in the mid-1920s.

Second low bid on the project was \$118,827 by General Contracting Co., Granite City.

Another local firm, Rite Electric Co., submitted the apparent low bid of \$12,777 to the state on furnishing and installing traffic control signals on Adams, U.S. at the Black Hawk intersection two miles west of Collinsville.

**Car Slips Off Jack,
Finger Cut Off**

Joe Best, 65, of 2006 Bryan avenue, was treated at 5:30 p.m. Tuesday at St. Elizabeth Hospital after a jackstand car slipped off and amputated the middle finger of his left hand at the first joint.

He was admitted to the hospital and reported in good condition.

**2 DAYS
WITHOUT
A
QUAD-CITY
TRAFFIC DEATH**

He added that a list of export items which could be handled by the Tri-City Port is being compiled to distribute to European businessmen, manufacturers and shippers. "This could prove of benefit to the port here."

OLD TROLLEY TRACKS on the Venice Broadway viaduct will be removed and unused tracks have been a traffic hazard for several years.

State Studies Bid To Remove Venice Viaduct Tracks

A. H. Seebold Truck Service & Excavating Co., Granite City, has announced it is submitting a bid of \$96,622 to the state for work on the present Broadway viaduct in Venice.

The work will consist of transferring these sections with a concrete base and black top surface.

Purpose is to eliminate the hazard the tracks pose to vehicles—often causing them to swerve dangerously as tires slip on and off the tracks.

The improvement also is expected to aid the flow of traffic by allowing drivers now shy away from the hazardous tracks which are in the center lanes of the four-lane viaduct.

Branch Circuit Court

"In keeping with the spirit of the new Judicial Article to the Constitution of the state of Illinois, which is designed to secure more convenient and expeditious court service for all citizens of this state, we have attempted to devise a plan that will bring a true circuit court to Granite City."

"We are aware of the concern of the residents of this area of the possibility of losing the convenient court services that they have enjoyed for many years. In keeping with the basic premises of the Judicial Article to increase rather than reduce court services now available, we will strive to make available to the residents of the Tri-City area a full time circuit court."

"With the cooperation of the circuit judges of this county, we can fulfill this objective of the new Judicial Article."

Offer Assistance

The local bar court committee, which has been working on the program for several weeks, expressed hope that by pledging their time and cooperation to the circuit judges, that there will be a plan by Jan. 1, 1964, which will make it possible for all residents to have available to them the services of a judge with circuit court powers and jurisdiction without the necessity and delay of traveling to Edwardsville.

"Kozzen said the bench expects powers of a bench circuit court, available under the new judicial article, would permit all services required of citizens here to be met."

It was explained that under the article, the chief presiding judge of each circuit—Judge James O. Monroe Jr. in Madison county—has the power to determine where and when court services will be made available to the residents of any area and to determine the assignment and availability of judges exercising the powers of the circuit court.

Changes Specified

The new Judicial Article abolishes the probate, county and city courts, eliminates the justice of the peace and police magistrate, and substitutes a single circuit court encompassing the powers formerly exercised by these various other courts.

Local lawyers point out the new system was designed to provide vastly increased and better services to residents of population centers outside county seats when they were proposed in 1962.

"In many counties throughout the state, as in Madison county, population growth has taken place outside of the old county seats, thus making it necessary that court functions and services be brought to these areas," Kozzen said.

**McLean Sentenced To
2-3 Years In Prison**

Jack McLean, 23, of 2656 Center street, was sentenced to a term of two to three years in the Illinois State Penitentiary Tuesday in Perry county circuit court at Pinckneyville.

He pleaded guilty to charges of possession of narcotics, possession of a hypodermic needle and possession of burglary tools. He waived grand jury action.

McLean was arrested Sept. 20 near Pinckneyville after he was involved in a traffic accident running his car off of the road. The items were found in the car.

Some of the narcotics were traced to Sheridan's drug store, which was burglarized last Aug. 17. McLean previously served about a year in the state penitentiary at Menard before he was paroled.

Local Lawyers Want Full Use Of City Court In GC

Faced with the possible loss of two judges in Madison county, the Tri-City Bar Association, today announced it is submitting a plan to the three circuit judges designed to utilize the city court facilities in Granite City to the fullest extent.

A committee of Quad-City lawyers is endeavoring to stress the services required of citizens here to be met.

It was explained that under the article, the chief presiding judge of each circuit—Judge James O. Monroe Jr. in Madison county—has the power to determine where and when court services will be made available to the residents of any area and to determine the assignment and availability of judges exercising the powers of the circuit court.

Madison Plans 75th Jubilee For Next Year

1-6 Year Prison
Sentence Given
Venice Burglar

Paul Jackson, 36, of 1037 Bissell street, Venice, was sentenced to a term of one to six years in the Illinois State Penitentiary Monday in Madison county circuit court in Edwardsville after he was denied probation by Judge James O. Monroe Jr.

He had pleaded guilty to burglary and theft at Garrett's tavern, Venice, last April 23. He was indicted along with James Davis Jr., 18, of 1018 Douglas street, Venice, who is in jail in Missouri.

Given two years probation by Judge Monroe were John Marchbank and Marshall Bradley, both charged with burglary and theft.

A probation hearing for Guy Wallace, 24, of 2829 Willow avenue, was continued until next week. He has pleaded guilty to aggravated battery in the June 30 shooting of William Dinkins of Alton during a Madison traffic accident.

Still listed as fugitives were Charles Wayne Dicus and Shirley O. Dicus, both of St. Louis, who were arrested by Granite City police and indicted on a charge of illegal possession of narcotic drugs.

**Firm To Direct City's
Celebration To Meet
With Council Oct. 29**

The city of Madison is initiating plans to celebrate its diamond jubilee next year, Mayor Stephen Maeras told the city council at its meeting Tuesday night.

The city will be incorporated 75 years next October, he said. The Rogers Co. has been asked to direct the celebration, and Jack S. Looker, a representative of the firm, is to meet with the city council at its Oct. 29 meeting.

The company directed similar celebrations for Madison county last year and for the city of East St. Louis more than two years ago.

Mayor Maeras suggested formation of a committee of about 25 residents "from all walks of life" to promote the celebration.

The mayor recalled the 50th anniversary celebration the city staged in 1940. The event last money then, Maeras recalled, but the city should benefit from that experience, and from those of Madison county and East St. Louis.

Heur to the meeting, the council conferred with G. H. Sternberg, Granite City contractor, who said work will start Monday morning on construction of storm sewers from Eighth to 14th streets along Washington avenue and related work.

Equipment is to be moved to the area tomorrow. Sternberg, who was low bidder for the project, has 360 days in which to complete the job. He also met with city officials and representatives of utilities Tuesday afternoon to discuss construction plans.

Police Dog

Regarding a general suggestion that the police department employ a police dog, the mayor said "it would be a nice gesture for the city to finance the purchase of a police dog."

The dog would cost from \$600 to \$700, and an individual policeman would be required to handle it. The mayor said it would be a deterrent to crime.

He noted there is some unrest over the current wave of house burglaries and added that some people make it easy for burglars to enter their homes. "Perhaps the situation will improve during the winter months when the people will keep their doors securely locked," he said.

Dr. Lay To Stay

The council was informed in a letter that Dr. O. M. Lay, physician and surgeon, now plans to maintain his office at the hospital indefinitely.

The doctor said his decision was "due to the fact that I am all the people with whom I have come in contact and the wonderful cooperation at the hospital."

The council previously urged Dr. Lay to continue his services at the hospital.

Expense claims of \$100 each were approved for Police Chief W. J. Wojcik and Lt. James Morgan, who attended a Tuesday convention Sunday through Tuesday at North Aurora. Half-month salaries totaling \$7479 were approved.

**SWIU Will Purchase
Old Electric Plant**

Purchase of the old Wagner Electric Co. plant in Edwardsville for \$75,000 was approved this morning by the Southern Illinois University board of trustees, meeting at the Quad-City-Edwardsville campus. The meeting is continuing in a ballroom. The figure is a suggested price.

The new buildings, located on a seven-acre plot about three miles from the campus, will be used to temporarily house equipment, the purchasing office, receiving office, library book storage, property management office, textbook rentals and other general storage.

The administration was instructed to acquire the property in the "most expeditious manner." The actual purchase may be made by the SIU Foundation, Inc., with the university leasing the property.

The trustees said the purchase would cost far less than construction of the temporary office and storage space.

The decision to "use the old plant" will enable the trustees to use more of the \$25 million allocated for the initial phase of construction on classrooms. The plant has not been used since December 1957.

Baker Is Elected To Second Term As C. Of C. President

Chester L. Baker, president of the Tri-City Printing Co., was elected to a second one-year term as president of the Tri-Cities Chamber of Commerce during the October meeting of Chamber directors Tuesday evening at the Rose Bowl.

Also re-elected was Carl E. Mathias, Illinois Power Co. service area manager, who is a vice-president of the C. of C.

Homer A. Huber of the Feder-Huber Furniture Co., succeeded Freeman Wolfe as a vice-president, and Robert E. Backs of State Loan and Savings Association replaced Irby Todd as treasurer for 1963-64.

The unanimous election followed a report by Samuel L. Meyer of the nominating committee. Others serving on the committee with him were Ernest E. Vohl Jr. and Paul H. Lichtenberger.

Baker welcomed board members who are beginning three-year terms and introduced the nine who were present. Board attendance totaled 31, and guests were Vohl and Henry D. Karandjef.

Report On Lake Park

Karandjef, chairman of the C. of C. committee on development of Horseshoe Lake as a state park, traced the history of efforts to establish the park and said it is hoped that the state will be ready to take advantage of any matching funds that might be made available by the federal government. A \$25 million appropriation for such projects is being considered by Congress.

Utilizing a detailed map of the proposed park area, Karandjef briefed the directors on the present outlook, relating that Gov. Kerner has suggested that a tax-saving conservancy district be formed. The speaker said the new Southwestern Illinois Metropolitan Area Planning Commission may be able to help bring the park plan nearer to a successful conclusion.

Chairman of the former state commission for development of the park, Karandjef reported that the 1963 state legislature created a new commission to help keep the proposal in an active status. Members of the new group have not yet been appointed, but will include the two state senators and six state representatives from Madison and St. Clair counties.

Karandjef described the park as a "terrific bon for our area," along with such other gains as

construction of the new state university and development of port facilities. He cited the large population that would be served by the park and said the lake is the largest natural body of water in Illinois.

Reject County Corporation
The Chamber board, approving a recommendation of its Industrial Development Committee, decided against participating in formation of a Madison county industrial development corporation. The proposal had been made by the Wood River Township C. of C.

No objection was voiced to inclusion of Franklin county, Mo., in the St. Louis metropolitan statistical area.

Noting a Dec. 1 deadline set by the state, G. W. Hoelscher, Sewerage and Drainage Committee chairman, said there is hope that city officials will reach a compromise on selection of a bond attorney. The selection of the steps necessary in carrying out a mandatory program to halt pollution.

Seek Help On Transfer

A motion was adopted to ask C. of C. directors to write Congress and U.S. Senators Dirksen and Douglas, urging efforts by them to have Granite City rather than St. Louis chosen as the site of Department of Defense civil service units to be transferred from Columbus, O.

John W. Reese, chairman of the University Liaison Committee, said contact is being maintained with Southwestern Illinois University, which appreciates the Chamber's support of Madison county zoning. Future assistance by this area may involve student housing and student employment, Reese said.

Hoelscher said the C. of C. and Manufacturers Association officers have digests on all 1963 state legislation, and a brief discussion of Congressional action brought out that many current issues are civil rights and income tax reduction.

E. G. Schmitt, Housing Committee chairman, said efforts are continuing to locate joint quarters for such organizations as the Chamber.

Round Trip Bus Plan
Bus fares were discussed and President Baker said recent round-trip tickets, representing a saving of 10 cents, are available from 9 a.m. to 4 p.m. between Nameki road and Madison avenue and Second street, Madison.

Also discussed was a letter bassard. Committee made 20

citine increasing encroachment on charitable and service groups in selling products handled by local retailers. It was noted that the retail firms have overhead expenses and contribute substantially to community betterment both through property taxes and donations.

Baker said the annual series of manufacturers' dinner meetings is starting, and he urged support of the United Food campaign beginning this month.

Attention was called to an Illinois State Board of Economic Development trade mission to Europe Oct. 17, a two-hour course in letter writing Nov. 19-21 at the Sunset Hill Holiday Inn, and the Chamber of Commerce C. of C. meeting Oct. 31 and Nov. 1 in Chicago, for which Baker urged local participation.

The president reported that last month's business-agriculture banquet was successful and noted that it was attended 28 years ago by Otto Forman, one of the newly-seated C. of C. directors.

Annual Dinner Oct. 24
He said Everett Steele is heading arrangements for the annual Chamber membership dinner Thursday night, Oct. 24, adding that there will be an internationally known speaker.

Membership Chairman Carl E. Mathias said a "coffee break" orientation meeting for C. of C. members joining in 1963 will be held at 10:30 a.m. Thursday, Oct. 10, at the Chamber office.

Man Faces 3 Charges After Chase By Police

David Keel, 20, of 1619 Delmar avenue, was arrested by Granite City police at 2:10 p.m. Monday on charges of aggravated assault, criminal damage to property and disorderly conduct after he was chased by police only that morning.

He pleaded not guilty at 10 a.m. Tuesday and was released on \$100 property bond set by Police Magistrate Gasparovic. A hearing was set for 10 a.m. Oct.

18. The complaint was filed by Clinton Cossy.

Police said that at about 2:45 a.m. Monday a detective became suspicious of a car in which a man and a woman were riding. He followed it into Lincoln place on Niedringhaus avenue where he parked in front of a tavern.

Police said the couple appeared to be fighting, and when the man jumped out of the car, the detective thought a burglary attempt of the tavern was underway and he radioed for a patrol car.

When a resident voiced an objection at the scene, the man threw part of an auto jack through a window of a home, police added, and then drove away. The patrol car chased him to his home, and Keel locked the door before the patrolmen could reach him, police added, quoting Keel as telling the officers they would need a warrant for his arrest.

Mitchell Park Backers Plan Vote Protest

Supporters of the Mitchell Park district proposal, which was defeated in a special election Saturday, plan a protest to State's Attorney Dick Mudge.

The decision was made at a public meeting called by the Mitchell Park & Athletic Association Tuesday night. William Norris, president of the association, is to appoint the protest committee.

Audelle "Harry" Breckner, a candidate for the park board in the election, said many persons believe outsiders brought the vote by vote opposition forces.

"We figured a large turnout would be 700 or 800 at the most," he said. "But we over a thousand votes were cast."

Canvass Completed

An official canvass was made by the county clerk's office yesterday. Returns showed there were 1078 votes cast, 338 for the park board and 740 against.

Breckner said the committee was going to sue the state attorney, just to "see what can be done." He indicated there were witnesses who saw questionable votes at the polls.

It was not necessary to be registered to vote, but the election rules specify that voters must live within the 8.8 square mile area in the proposed park district.

Indications are the park backers will not attempt to prosecute any violators, but rather seek preventive steps in event the proposal comes to another vote.

"I doubt whether the election has passed even without the fingers," Breckner said. "But we intend to do a better job, educating the people on the tax situation next time. Eventually this thing will pass."

Pass-Conscious GC Plays At Alton

Redbirds' Gwillim Has Thrown Three Touchdown Aerials

"Even the cheerleaders were stopping me in the halls asking if we were going to work on pass defense this week."

That observation by Granite City high school football Coach Jim Morrison yesterday pretty well summed up what is going on in the Warrior camp in preparation for tomorrow night's Southwestern conference football contest at Alton.

The Warrior staff, frankly, will be surprised if the Redbirds do not put the football in the air Friday.

Alton, noted in recent years for breakaway speed in the backfield, will not have all its points in top shape for this one, and senior quarterback Brent Gwillim, who has connected with three touchdowns in three games, should try to move his club via the airlines.

Da hurdling Johnson boys, Andy and Leroy, are both listed as starting backfield by Alton Coach Ralph McClain, although Andy, the speedier of the two, has not been able to practice this week.

He is still hobbled by a sprained ankle, McClain said. The injury kept him on the bench during the fourth quarter last week as the Redbirds were absorbing a 33-7 beating at the hands of East St. Louis.

Guarding on Alling List

"They beat us up pretty well physically as all East St. Louis teams do," McClain added. Pat Purcell, first-string right guard, and George Kibler, second-string left guard, are the players on the left side of the offensive line, are listed among Alton's walking wounded this week, and McClain has done some shuffling in an effort to come up with front ranks which do not have a collective job of blocking than Collinsville did against the Warriors.

McClain unveiled the "T" formation offense against the Flyers, who weren't fooled by it. They were as tough defensively as the line as any team will play this year.

"So I'm undecided as to whether or not we'll keep the 'T' in our offense against Granite City," Kibler Leroy Johnson got the biggest gains off the "T" last week: 47 yards in nine carries. The "T" where the backs line up directly behind one another, is being used off and on this year by Morrison's former boss, Washington U. Coach Dave Puddington, by the way.

CITED FOR THEIR PLAY

last week against Collinsville. Collinsville Norm Wilfong (left) and defensive tackle John Love drew the weekly "Fighting Warrior" of the week" and "Chuckles As Murders" award votes from the GCHS football coaching staff.

Wilfong carried 22 times for 131 yards in the 13-13 tie with Collinsville, while Love blocked a point-after-touchdown try which would have given the Hawks a victory, and also came up with five tackles from the defensive position.

Coach Jim Morrison and staff also named 15 players as members of the weekly "110 Percenters Club" for individual and sustained effort in the Collinsville game.

Selection entitles the player to affect a red star to his helmet and three Warriors were awarded two stars this week. They were Love, halfback Joe Yate, and defensive end Ron Yates.

Other "110 Percenters" against the Hawks were Jerry Lybarger, Line Joe Hauptmann, Jack McKeehan, Eric Robertson, Randy Thompson, Bob Pyle and Wilfong.

Claude Picks:

Who picks ties?

Claude the Computer doesn't, and thereby hangs the tale of an almost perfect week for the prep football forecasters.

Only the 13-13 Granite City-Collinsville standoff last Friday marred an otherwise faultless Claude predicted the winners of the 10 remaining games in the district, posting his three-week record to 25 of 36 correct, or 69.4.

Not a bad batting average, but this is the football season.

Claude points hopefully toward that often sought but seldom attained goal, the perfect week, in mathematically selecting Granite City and Madison to be among winners of 12 week-end games.

Hoping to reach the plateau of respectability (700) or even surpass it, the mental, mental mauler sees 'em this way:

Credit Union Ties For Soccer Lead With 2-1 Decision

"Granite City Soccer Club again proved a tie for 'credit union' in the Bantam division of the YMCA soccer game. Thursday night, Granite City 2-1 score as Bobby Galvan kicked in the tie-breaker with 20 seconds left. Galvan scored both the winners' goals. Rocky Risse had a total 63 goal.

The win left Credit Union and Gilchrist Agency with identical 2-0-1 records in the Bantam division.

Tuesday night Atom division game went to Lincoln Place by a 6-0 score over St. Elizabeth. Wayne Canada scored four times for the winners, giving him 11 goals in four games this season. Rusty McElroy and Shugie added the remaining scores.

Last night, Lincoln Place and the Twilight Optimists played to a 1-1 standstill in a Mid-Twilight meeting. Bobby Canada scored for Lincoln Place and Charlie Herr for the Optimists.

Winless Madison And Dupu Collide

Clubs Bring 0-3 Marks Into MWC Games Tomorrow

"We'll settle for second place in our conference this year," Madison high school football Coach Glen Pickering said this week as the touchdown-hungry Trojans pointed toward Dupu and a Friday night clash with Don Bruhaker's Tigers.

These might sound like overly-optimistic words from a coach whose club has dropped its first three games, the last two by the shutout route, and has managed to score just 12 points over a three-week span.

In "Our League"

"But we're playing in our league now, after stepping out against three big schools (Edwardsville, Granite City and Cahokia)," Pickering pointed out a two-mile layout in Collinsville.

"You'll remember that we were 0-3 at this time last year and we're in the same place now, and a tie," he recalled. The Trojans played a 13-13 standoff against Dupu and then beat MWC's Roxana, Highland and Bethalto and finished up by polishing off Staunton. "I don't think it's too much to hope to again this year," Pickering said.

The Tigers have not exactly wasted any of their tail so far this season. They have not won in three tries, although managing to score once in each game.

Three Out At Dupu

Bruhaker's defense has proved somewhat leaky; three opponents have come up with a total of 81 points. But Pickering does not expect Dupu to roll over and play dead tomorrow night, despite Bruhaker's claim that three regulars will be out.

"We're hurting where it hurts in the line," said Bru. My right line left guard Wayne Schaftel has been out of school with the flu this week and tackle Mike Simmons has missed our last two games with a foot infection.

Regular left halfback, Don Hampton, a 180-pound senior letterman, was definitely missed in the game. Bruhaker said on account of a head injury sustained in the Granite City contest.

Center Leonard Cledenin, and Jim Kohlenberger and fullback Bob Holmes, all senior lettermen, are the only players from 1962 who will be in the starting lineup for the 8 p.m. conference game.

Eight members were present at the dinner meeting at Art & Nordin's, President Roy Green presided.

Same Offense

Pickering said he plans no changes in his offensive lineup from last Friday, and only one switch in the defensive line. "We'll give (Dave) Andrews a look at one of the defensive ends," he predicted.

Physically, Madison is ready. Pickering observed. "John One-

WINNING EFFORTS in a losing cause last Friday against Cahokia were turned in by halfback Lester White (left) and tackle John Olesky of Madison, who were selected as Trojan back and lineman of the week by Coach Glen Pickering. White, nicknamed "The Flee" by teammates, was Madison's most effective runner in 11 carries and played a linebacker position on defense. Olesky, a 211-pound senior veteran who has won lineman awards for defensive play in the past, was cited for the same reason again this week.

Maxvilles' Daughter Stillborn At Hospital
Christian Lynn Maxville, daughter of Mr. and Mrs. Dan Maxville of 2141 Woodlawn avenue, was stillborn at 10:30 a.m. yesterday at St. Elizabeth Hospital. The mother is the former Sandra McDavid, the father is employed at Granite City Steel Co.
Survivors include the parents; the maternal grandparents, Mr. and Mrs. Robert McDavid of Madison, and the paternal grandparents, Mr. and Mrs. Mose Maxville of Granite City.
Funeral services are listed in today's obituary section.

GCHS Sophs Defeat Collinsville 13-6; Madison 'Is Next
Two long, alternating drives and a defense which dug in late in the game helped Granite City high school's sophomore football team post a 13-6 victory over Collinsville Monday afternoon.
The Warriors sophs scored first when Frank Williams recovered Len Revell's fumble after Revell had crossed into the CHS end zone, and then hit here. GCHS went 70 yards for the score. Jim Rains kicked the extra point.
A 65-yard march in the third quarter led to the deciding score, with halfback Ricky Turner carrying the final eight yards for the TD. The point after kick was blocked.
Collinsville also scored in the third period after recovering a Granite City fumble on the visitors' 30-yard line. Granite City's defense was up to the task of stopping a CHS soph drive in the fourth period. The Warriors held at their own eight yard line.
Now 2-0, the Rogers Manual-Lee Chapel-coached club will travel to Madison for a 7 o'clock game with the Trojans this evening.

Portable Gym Floor Idea Dropped, Next Discussion Set For May 1964
A portable basketball floor would be too costly to purchase and too awkward and costly to install and remove frequently, Granite City school board members concluded Tuesday night.
By a 5-1 vote, with Board Member Ralph Fricker abstaining, the board placed on its May 12, 1964, agenda the subject of whether to replace or retain the present permanent basketball floor in the Granite City high school gymnasium.
Those favoring the May review were President Ralph Fricker, Treasurer Monroe Worthen and Board Members Robert Spengler, Ronald Dillard and Daniel Linder. It was noted that a decision at that time, if it is to tear out the end-grain pine floor, the work to be carried out in the summer before resumption of the school year.
(Some board members favor the removal and installation of new flooring in strips on the existing wooden sleepers, but they have been unable to muster a majority vote. Tuesday's action here, GCHS went 70 yards for the score. Jim Rains kicked the extra point.)
Wide Usage
Those who oppose replacement say that the existing eight-year-old floor is far from worn out, could be kept light in appearance at nominal cost, and is the type of durable surface needed in a building subjected to the rigors of hard use, including functions other than basketball.
Collinsville also scored in the third period after recovering a Granite City fumble on the visitors' 30-yard line. Granite City's defense was up to the task of stopping a CHS soph drive in the fourth period. The Warriors held at their own eight yard line.
Now 2-0, the Rogers Manual-Lee Chapel-coached club will travel to Madison for a 7 o'clock game with the Trojans this evening.

Booster Club To Meet At Rose Bowl On Monday Night
The second meeting of Granite City's Booster-Quarterback Club will be held Monday evening at the Rose Bowl restaurant, beginning at 6:30.
Highlights of the dinner meeting will be the showing of films of the Collinsville and Alton games, a discussion of the GCHS football program by Coach Jim Morrison and a question and answer session.
Reservations for the dinner meeting should be made by tonight with Rich Sedemann (TR 6-1237), Mr. Valerie Evenden (TR 6-2886) or Nick Petrillo (TR 7-5149). The family-style chicken and roast beef dinner is \$5 per person.
The first booster club meeting two weeks ago drew 50 persons.

Portable Floor Impractical
A report to Supt. Harold M. Kysner from Director of Athletics Richard Yates related that Al Willis, executive secretary of the Illinois High School Association, said "Oak Park and Sterling high schools had portable floors mainly because they had field houses. At the present time, both schools have a permanent floor."
"Mr. Willis seemed to think the portable floor was not practical for high school because the job of putting the floor up and taking it down became quite a chore, the storage area seemed to be a hazard because of too much damage to the surface, and the repair and sealing of the surface became troublesome."
Yates continued, "In my conversation with Ross Anderson, director of athletics of Oak Park, he seemed to feel the same way—not practical."
"At first, their floor was put down with no air vents, and the floor warped. Consequently, the floor was made permanent. He stated that portable floors seem to be fine at first, but the joints and bolts gradually loosen up, causing a bad situation."
\$11,400 To \$13,000 Cost
"I called Mr. Wagner at Kell Auditorium. They purchased their portable floor from the Cincinnati Floor Co. at a cost of \$12,000."
"He mentioned that the sections of the floors were very heavy, taking at least four men to move each section, and they had a difficult time also in their storing, easily scratching the surface. I called Cincinnati Floor Co., which has sold portable floors to Jackson, Mich. University of Indiana, University of Illinois and others. The com-

DROUTH BRINGS EARLY FALL
Accelerated by continued drouth, fall is coming early in southern Illinois this year and it's anyone's guess as to the best on fishing. High winds Sunday were blamed for poor fishing. Two lakes and hailed as a plus factor on a third.
Trees are losing their green dress, the vanguard of the wild goose population is arriving at Crab Orchard Lake, blackbirds are swimming and dry oak leaves are skimming across the surface of protected pools.
On Lake hailed Sunday's wind as providing some of the best fishing conditions this year.
"The water has been so clear," he said, "many of our fishermen think the fish are spooked by the boats and lures. Sunday's wind roughened the surface and trilling boats caught good fish."
C. G. Man Takes Honors
Six 6-pounders took lunker honors during the week. One was caught by Tom Conrad of Highland.

Don't be without NITE-LITE protection another week!

Judo Juniors Win At Belleville
The junior division of the Granite City judo club captured first place this week in a tournament held in Belleville and sponsored by the Belleville YMCA.
Individual trophy winners were Jim Fiedler, first in 14-16 boys; Tom Fuchs, second in 16-and-under girls; Leonard Fuchs, boys 8-10 heavyweight; and Cathy Woods, third place in girls 16-and-under.
The Granite City club also brought home the tournament's team trophy in the junior division.
Supervised judo instruction for youngsters is available from the club's instructors at the YMCA. The cost is \$5 per year.
Adult classes also have openings. The yearly cost is \$40 for men and \$30 for women.

Weekly GC Pupil Bus Ticket Cost Reduced To \$1.45

The Granite City school district is offering weekly bus tickets at \$1.45 to students not transported free under the school transportation program. Superintendent Harold M. Kaiser reported to the board Tuesday night.

Possibility of charging less than the regular \$1.50 had been discussed previously on a tentative basis. The recent difference was intended to reimburse the district for the cost of handling pass sales for the Bi-State Transit System, but Dr. Kaiser said the cost is negligible here.

Only about 20 tickets were sold this week, first week of the new plan, the superintendent reported, adding that there may be a larger volume later. He said many students ride to school and then walk home in the afternoon.

Students not transported on school buses have the option of paying 25-cent fares on regular buses or purchasing the weekly tickets good for specific weeks at an average cost of 14 1/2 cents. Cost of weekly passes, unlimited as to the number of rides, is \$1.45.

Board Member Ronald Dillard reported seeing a newspaper article in which school bus tickets were overvalued.

Psychological Services

The school board approved sharing the 1963-64 cost of psychological services provided by the Madison County School Psychological Association, paying an amount proportionate to the amount of time spent here by the two psychologists.

Their work is to help pupils to determine whether they are ready to enter or leave training and to determine whether they are ready to enter or leave training and to determine whether they are ready to enter or leave training.

The board authorized attendance by one child at an East St. Louis night-school and to another at an East St. Louis center for pupils with hearing difficulties.

Temporary Hiring

It was decided to hire a truck driver for three days to haul excess dirt from Emerson grade school to Wilson grade school, where it is to be used to fill low areas.

Both campuses are to get coats of paint in the areas where dirt is being moved. Dillard said he had talked to the Emerson principal and learned that the dirt has a large quantity of sand, has a large quantity of sand, has a large quantity of sand.

It was noted that the district's two regular chauffeurs have too many other duties to move the dirt.

Board Member Dan Linder suggested that the administrative staff be given limited authority to carry out such hiring without advance board approval, just as a bus proceed with expenditures of up to \$50. Under existing policy, all extra employment is cleared first with the board.

The board granted a leave of absence to Mrs. Alpha Ashlock, a cafeteria worker, for the 1963-64 school year.

Boards In Region To Meet

It was noted that Board President Ralph Fricke will head a panel discussion on student conduct at a meeting of the Southwestern Division, Illinois Association of School Boards, Oct. 24 in Belleville.

A letter from Granite City Jaycee President John Worthen thanked the board for its cooperation in the organization's operation in the organization's festival Aug. 9-11. Worthen said a large program is planned for next year.

Tuesday's meeting took the place of a meeting that would normally have been held last week, when Dr. Kaiser was in Washington, D.C., and Columbus, O. His report on the prospects for transfer of hundreds of civil service employees here from Columbus will be heard at the next regular meeting Oct. 8.

ASCS Explains Law On New Wheat Program

One part of the law governing the current wheat program is apparently not clear to many of this area's wheat producers. M. Lee Roger, manager of the county ASCS office said today. "This is caused by two provisions of the wheat law which was passed in 1958, and applies in years when marketing quotas are not in effect, such as will be the case for the 1964 crop. This part of the law says that the allotment for the farm in future years will be cut back, if the allotment is overplanted."

Madison county ASCS officials explained that since quotas are not in effect, the farm which plants more than its allotment will be credited with only the 8-lb. load.

Any questions should be brought to the ASCS county office for accurate information. It is located at 110 North Main street, Edwardsville.

Hearing Continued On Motion For New Trial

A hearing of a post-trial motion for a new trial for Carl Hoffman, 26, who lived at 2111 Lincoln avenue, was continued for 10 days yesterday by Judge Joseph J. Barr in Madison county circuit court at Edwardsville.

Hoffman has been found guilty in the shooting of a Granite City Army Depot soldier on Sept. 20, 1962. The soldier was shot four times in the former Sherry's lounge, 16th street and Madison avenue, as he tried to quell a disturbance.

The continuance came after Hoffman's attorney complained to the judge that Joseph Barrylak, assistant state's attorney prosecuting the case, had provided information to the Press-Record in an effort to apply pressure on the court in the case.

Daylight Saving Time Will End On Oct. 27th

The switch back to central standard time—when clocks are to be set back an hour—will take place at 2 a.m. on the last Sunday of the month—Oct. 27.

Daylight saving time started for the last Sunday in April when clocks were advanced an hour.

Two Speeders Arrested

Two drivers were arrested by Granite City police on charges of speeding at 8:30 a.m. yesterday at 20th street and Madison avenue. They are James M. Dammeich, 19, East St. Louis, and Robert E. Melin, 26, Belleville.

The state's attorney's office, Part of an article in Monday's issue of the Press-Record referred to the case, though not by name, noting that the defendant has been at liberty on bond for more than a year.

Hoffman was charged with aggravated assault following the shooting.

PLAN ROOM ACTIVITIES

ATLAKE SCHOOL

Close cooperation was a highlight of a meeting of room mothers at Lake grade school Tuesday afternoon with the school principal and Mrs. Elizabeth Stevens, PTA president, as host and hostess.

Mrs. Rose Douglas, room mother chairman, presided and plans were made for Easter and Christmas parties for each room, with games and refreshments to be included.

Arthur Menendez, principal, addressed the 25 mothers on "Room Mother Activities," followed by introductions.

Mrs. Stevens announced that a Lake school candy sale is set for November, the day and time to be announced later. She encouraged the mothers to attend and talk part in discussions at the regular PTA meetings.

The president called for help to make the fall festival Oct. 29 at 7 p.m. a success. Extensive plans for a cake walk, hat shop, cotton candy, fish pond, trinket stand and handicraft booth have been made.

Menendez cited the large attendance and thanked the mothers for their aid in school activities.

SUBURBAN BAPTIST CHURCH CIRCLE MEETS

The Deilah Jones circle of Suburban Baptist Church met Tuesday evening in the home of Mrs. Jean Fletcher, 27 Briarcliff. The meeting opened with prayer by Mrs. Ruth Bunker, a program based on the book "Grace McBride, Missionary Nurse," was given by Mrs. Imogene Smith, who was in charge. Mrs. Rose Lux, the hostess, Mrs. Bunker and Mrs. Helen Peterson. Others attending the meeting were Mrs. Eula Smith, Mrs. Elizabeth Green, Mrs. Norma DeVault and Misses Dena and Donna Peterson.

Next meeting will take place Nov. 12 in the home of Mrs. DeVault.

WILSON RECEPTION FOR ROOM MOTHERS

Wilson school and the Wilson school PTA will be co-hosting a reception for volunteer room mothers tonight at 7:30. Mrs. Leigh Watson, chairman, will preside over a discussion of plans, suggestions and ideas on games and refreshments for room activities during the year.

Mrs. Roxie Tolbert, PTA president, will be on hand to offer suggestions and Mrs. Virginia Adams will be present to sign up new members to further a membership drive that will continue throughout the school year.

RIDES TOO ATTRACTIVE FOR FOUR-YEAR-OLD

Age had nothing to do with traveling, as far as four-year-old Timmy Krey was concerned Monday night.

The Bellemeore shopping center rides were his destination when he left home at 7 o'clock. Millie Nagel, the child's aunt, found him and returned him and his bicycle to his home, 2904 Willow Avenue.

WORKSHOP TO OPEN

Official opening of a workshop for the new Artist's Guild will take place tonight at 7 o'clock at 2501 East 24th street.

A few of the local exhibitors for the evening will be John Patrick, Maxine Littlejohn, Pat Robinson, Fran Laska, Ruth Tyler, Martha Huston, Pauline Keel and Sylvia Missethorn.

Marge Vreugde, Japanese brush artist, will demonstrate her technique in that field.

Mrs. Leola Paschdag has announced that other well-known artists in this area are expected to visit the workshop in the near future. She said an invitation has been sent to those interested in progressing in woodcraft, ceramics, textile painting and other forms of art to attend the open house, which will continue as part of the regular program.

THIRD DAUGHTER

Mr. and Mrs. Roger Schoen, Minneapolis, Minn., are announcing the birth of their third daughter, Leola Marie Schoen.

Weighing eight pounds, eight ounces, the new arrival is the sister of Laura, four, and Teresa, two. She is a brother of Mrs. Roland Riddle, 2211 Edna street, and the Schoens are formerly of Granite City.

RETURN FROM WEST

A trip of three weeks ended last week for Mr. and Mrs. Ross Benda, 2414 Nurend road. While touring the west, they visited friends and relatives in California.

Their trip took them through Arizona, Montana and Oregon and included sightseeing along the way.

Bitten By Dog

Arthur Charnin, 12, of 1221 Calhoun street, Venice, was bitten on the lower left leg Tuesday by a small black dog in the 1100 block of Logan street and was given treatment at St. Elizabeth Hospital. The dog was ordered tied up until it is known whether it has rabies.

EASY TO FIX —

Cook in a small amount of water — about 15 minutes until they are tender crisp. Seasoning the beans can be simple. Salt is all that is really needed. But other things might be added such as peppers, butter, bacon bits, onions, mushrooms, carrots or potatoes. One pound of green beans will yield about 4 servings.

MESSENGERS SURPRISED ON SILVER ANNIVERSARY
Mr. and Mrs. James Messenger were surprised Sunday evening as they arrived at the Greek Orthodox Church, Fifth street and Ewing avenue, as relatives had arranged a celebration of their 25th wedding anniversary.

Mr. and Mrs. Messenger were married at the Reem Memorial Lutheran Church in St. Louis and now reside at 1677 Market street. They have one son, James.

A number of friends and relatives who attended the wedding 25 years previous were at the Sunday evening observance. Mrs. Messenger's brother-in-law and sister, Mr. and Mrs. Ralph Deigner, served as best man and maid of honor and were among the guests. Mrs. Deigner is formerly Mrs. Theresa Revak.

The basement of the church was appropriately decorated with streamers and wedding bells. Gifts, which included silver, were presented to the couple. A catered, tiered wedding cake was served with other refreshments.

Guests were Mrs. Paul Felt, Mrs. Rose Mayhill, Jacob Mueller and Mr. and Mrs. John Seifert, all of St. Louis; Mr. and Mrs. Charles Ruhnert of East St. Louis; Mr. and Mrs. Robert Revak and family; and Richard Langer, all of Carbondale; Mr. and Mrs. Albert Messinger and Misses Colleen Messinger and Esther Messinger, all of Troy, Ill.; Mr. and Mrs. Melvin Bauer; Mr. and Mrs. Ernest Bravin and Mr. and Mrs. Ted Eriks, all of Collinsville; Mr. and Mrs. James Buecher, Mr. and Mrs. Rudy Stine and daughter, Mrs. Ruth Ledson and son, Tim; Mr. and Mrs. James Hahn and son, Jimmy; and daughter, Jina; Mr. and Mrs. Sam Revak; Mr. and Mrs. Maxie Pinski; Mr. and Mrs. Mike Lombardi and daughter, and Mr. and Mrs. Harold Driziger, all of Granite City; Mr. and Mrs. Emil Butz, Mr. and Mrs. Arthur Neidhardt, Jr., Mr. and Mrs. Robert Dechow, Mr. and Mrs. Robert Beegarth, Mr. and Mrs. Phil Clinton and sons, Bob and Dale; Mr. and Mrs. Woody Wood and daughter, Lundy; Mr. and Mrs. Hank Hillmer, Mr. and Mrs. Tony Racheff, Mr. and Mrs. Helen Hines; Mr. and Mrs. Dorothy Hinton and Mrs. Helen Debrine and the honoree and their son.

REV. LACKEY IS ORDAINED AT CHURCH

Joseph Lackey was ordained at Temple Baptist Church Sunday afternoon to the pastoral ministry. He was called as pastor of the church on Sept. 8, and the church called for his ordination. Rev. William A. Richardson, association superintendent, officiated, was elected as moderator of the council, Rev. Jerry McDonald served as clerk, and Rev. Raymond Ottow served as interrogator.

The ordination prayer was by Rev. Keith Stanford, Rev. William Snyder of Calvary Baptist Church declined the charge to the candidate and to the church. The candidate was presented by Max Winthorn, and a Bible was presented to him by Paul Taylor. Winthorn and Taylor are deacons of the Temple Baptist Church.

Special music was furnished by the choir of the Calvary Baptist Church choir. The ordination service was attended by 27 ordained pastors and deacons.

Rev. and Mrs. Lackey are the parents of three children, Joe, Jr., 17, Jimmy, 11, and John, nine. Rev. and Mrs. Lackey are former members of the Maplewood Baptist Church in the East St. Louis association.

HONORED ON GOLDEN ANNIVERSARY
The golden wedding anniversary of Mr. and Mrs. Charles Hogue was observed Monday evening in their home, 1225 Rhodes street, after members of the family had held a celebration at Wilson Park.

Mr. and Mrs. Hogue were married Sept. 30, 1913, and are members of the Church of God of Prophecy, 1732 Rhodes street. Rev. and Mrs. L. W. Croder, Mr. and Mrs. Virgil Wall, Miss Payne, Miss Phyllis Wall, Mrs. Janie Cowin, Ivan Cowin, Miss Robin Cowin, Billie Hendricks, Mrs. Myrtle Layton and Mrs. Rosena Barrett gathered at the Hogue home and held short church services with the honoree couple taking part.

Refreshments were served at the conclusion of the services, and gifts were presented to the couple.

Mr. and Mrs. Frank Rozycke To Observe 50th Anniversary

Mr. and Mrs. Frank Rozycke, 924 Washington avenue, Madison will observe their 50th wedding anniversary Sunday.

The couple will renew their marriage vows Sunday morning at St. Mary's Roman Catholic Church in Madison where their wedding took place Oct. 6, 1913, and later will participate with other members of their family at a breakfast in the home of a son and daughter-in-law, Mr. and Mrs. Ray Rozycke in Belleville.

In the evening the entire family will attend a dinner party at Augustine's in Belleville.

Mr. Rozycke is 75 and his wife is 68. They have spent their entire married life in Madison where he was employed by the Madison Coal and Feed Co., until retiring 10 years ago.

Mr. and Mrs. Rozycke are parents of two sons and two daughters. Beside the son in Belleville they have another son, Frank Jr., of Jacksonville, Ill., and daughters, Mrs. Lorraine Genterman of Venice, and Mrs. Nellie Barpel of Madison. Another son Edward, is deceased. They also have seven grandchildren.

FAMILY REUNION AT SCHWENDEMANN HOME

Mr. and Mrs. Milton Schwendemann, former Granite Cityans now residing on Rural Route Two, Collinsville, entertained members of their family at a reunion in their home this week.

Present were Mrs. Vera Pembroke and Mrs. Norma Reutherford and children, Linda, Cora and David, and Miss Wanda Pembroke of Pana, Ill.; Mr. and Mrs. Darrell Pembroke, Witt, Ill.; Donald Pembroke and John Horney, Springfield, Ill.; Mr. and Mrs. H. J. Schwendemann, Martinsville, Ill.; Mr. and Mrs. F. A. Schwendemann and children, Nathan, Joe and Davis, Cheyenne, Wyo.; Mr. and Mrs. Robert Schwendemann and daughter, Kimberly, St. Louis; and Mr. and Mrs. James Schwendemann and children, Beverly, Brenda, Barbara and George; Mr. and Mrs. Richard Schwendemann and children, David, Ernest, Wayne and Jon. He is McAnally, Verna Diane; Mr. and Mrs. Jack Lengyel, Elvira Thurler, Moore Schwendemann and children, Groshong, Helene Bischoff, Mabel Stewart, and Dolores Allen.

In the evening four of the group, Mesdames Wortman, McAnally, Thurler and Lengyel, will attend a buffet dinner and reception at Augustine's in Belleville honoring the national president, Virginia Allen of Wyandotte, Mich.

Miss Leola Klausner of Edwardsville, district president, will preside at the afternoon meeting and the speaker will be Miss Katherine Feden of Hopkinsville, Ky., a past president of the U.S. Federation of Business & Professional Women's Clubs, Inc., who was the youngest woman ever to be elected to that office.

Other clubs comprising the Eleventh District are Alton; Collinsville, East St. Louis, Edwardsville, Marissa, Jerseyville, O'Fallon, Pinckneyville and the newly chartered Cahokia club.

VISITING PARENTS

Mrs. Ralph Krausz, the former Mary Jane Baumbarger, has arrived here to remain with her parents, Mr. and Mrs. Elmer Baumbarger, 2449 East 25th street, for several months after spending the past 16 months in Kailua, Oahu, Hawaii, with her husband, Marine Cpl. Krausz, stationed at the Kaneohe Base. He will be released from service in February after a four-year tour of duty and will join his wife here.

Greeters Club Plan Two Events

The Tri-City Greeters club held a heart meeting Monday afternoon in the home of the president, Mrs. Virginia Craft, 2105 Terminal avenue.

Plans were made for a pot luck dinner Oct. 8, and for a public card party Thursday, Nov. 7, at the Tri-Mor Bowl.

Those attending Monday's meeting were Mesdames Esther Schwartz, Ruth Tomkins, Lois Reed, Joyce Barnes, Beverly Justin, Dean Davis, Hazel Brink and a guest, Mrs. Lillie Fredrick of Chicago, a former club member.

Refreshments were served by the hostess after the meeting.

Local Women To Attend District B&PW Session

A group of local women, members of the Granite City Business and Professional Women's Club, will attend the fall meeting of the Eleventh District, National Federation of Business & Professional Women's Clubs, Sunday afternoon at 1:15 o'clock at St. Paul Lutheran Church in Troy with the Collinsville club as hostess group.

From the Granite City club will be Vernice Wortman, president; Helen McAnally, Verna Diane; Elvira Thurler, Moore Schwendemann and children, Groshong, Helene Bischoff, Mabel Stewart, and Dolores Allen.

CADILLAC SIXTY-TWO SERIES four-door sedan, one of 11 new Cadillac models for 1964. The line went on display today at East Side Motors, Inc., 1101 St. Louis avenue, East St. Louis.

New Engine, Transmission For Cadillac's '64 Models

The 1964 Cadillac, featuring a new engine and new transmission and the Eldorado convertible, is available in 11 models. The new transmission used a torque converter as a replacement for one of the geared ratios.

The 11 models, one less than last year, are redesignated into three series: three models in the Sixty-Two series, four models in the de Ville series, and four in the Fleetwood series. The short-wheel sedan has been discontinued, giving Cadillac one less model than in 1963.

Overall length is increased one-half inch on nine models to 233 1/2 inches and on the Seventy-Five sedan and limousine to 243 1/2 inches, but other exterior and interior dimensions remain unchanged.

One high performance V-8 engine is standard in all models. It develops 340 horsepower from a displacement of 429 cubic inches.

Two automatic transmissions are available in the new models, with turbo hydra-matic introduced this year in the de Ville

MORE TEMPTING THAN EVER!

The 1964 Cadillac is more tempting than ever to look at! It has a clean, low sweep to its lines . . . greater refinement in all of its body contours . . . and a dramatically new, divided grille.

It's more tempting than ever to ride in! There's greater smoothness and quietness. The interiors are luxurious as never before. And an exclusive new Comfort Control* enables you to pre-set interior temperature while automatically controlling humidity.

And Cadillac for 1964 is more tempting than ever to drive! It has a new high-performance engine—the most powerful in Cadillac history. Cadillac's Hydra-Matic Drive has been

remarkably improved in smoothness and responsiveness—and a new version, the Turbo Hydra-Matic, is standard equipment on some models. Both assure a truly amazing agility in traffic and a new over-all standard of automotive performance on the highway.

The final temptation? That's the extraordinary value that's built into each of the eleven new Cadillac models. Be among the first to visit your authorized Cadillac dealer and

153,000 Receiving Social Security Disability Benefits

At the end of last March, 153,000 adults whose disabilities began in childhood were receiving social security benefits totaling nearly seven million dollars monthly, Ralph Brasher, district manager of Social Security Administration, East St. Louis, announced today.

Brasher said that half of these beneficiaries are 36 years of age or older and nearly 300 are 65 years of age or over.

A person with a mental or physical impairment who became disabled prior to age 18, and has remained disabled since that time, is single when benefit payments start, and is the

son or daughter of a parent who is entitled to social security retirement or disability insurance benefits, or whose parent was insured at time of death can qualify for these benefits.

Brasher advised these persons or their parents or guardians to apply in his behalf at the nearest social security office.

The office in East St. Louis is located at 435 Missouri avenue, and is open from 8:45 a.m. to 3:45 p.m., Monday through Friday. If necessary, a field representative from the district office will come to the home or to the hospital to take the application.

ICC Denies Rehearing On IC Passenger Stop

(Special from Springfield)

The Illinois Commerce Commission this week denied a petition for rehearing filed by the city of East St. Louis in a case in which the commission authorized the Illinois Central Railroad to eliminate a stop for two passenger trains in East St. Louis.

The ICC authorized a substitute stop by the railroad at Madison. The change involves the road's Green Diamond train between St. Louis and Chicago.

The ICC also authorized the railroad to eliminate its run to East St. Louis and instead use the Merchants bridge at Venice to the Union Station, St. Louis.

The commission ruling was announced Monday.

Olds To Unveil Two New Series At Friday Showing

Featuring a new Jetstar 88 as a lower-priced companion of the Dynamic and Super 88's, and a new, medium-priced sports model, the Jetstar I Oldsmobile for 1964 will get their first public showing here tomorrow at Woodrome Olds, Inc., 1905 Madison avenue.

The Jetstar 88 is powered by a 330-cubic inch high-compression V-8 and will be available as a four-door sedan, hardtop, coupe and convertible. The new engine is teamed with a new transmission, the "Jetaway," an automatic gear shift with a torque converter. The Jetstar I is powered with a 345-horsepower high-compression engine, and comes equipped with bucket seats and console.

Other Olds lines, including the F-85 Dynamic 88, Super 88, Starfire and 98 series, have been retained for 1964, but each can be recognized by its own styling characteristics.

B&PW Week Observance To Start Sunday; Local Events

National Business Women's Week will be observed here Oct. 6 to 12.

Mrs. Vernice Wortman, president of the Granite City club, who is helping to coordinate National Business Women's Week activities in the local area, said the purpose of the week is to spotlight the achievements and contributions of business and professional women to the better understanding of the goals of working women, their needs and ambitions.

Partnership is being stressed in these local activities planned to help celebrate National Business Women's Week.

Sunday, Oct. 6, members will attend the District 11 fall luncheon at St. Paul Lutheran Church in Troy with the Collinsville club as hostesses, and the same evening a number will be guests of the East St. Louis club at a "Meet The Members" luncheon at Augustine's in Belleville with the national president, Virginia Allen, as guest.

Monday the local club will attend a city council meeting in a group. Mildred Walker, legislative chairman, is arranging this event.

On Tuesday, Gay Rosch, chairman, has planned a "Tele-Flour." The members are to meet at the "Y" at 7 p.m.

The schedule for Wednesday includes a "Coffee Break" at 8 a.m. planned by Mrs. Elvira Herman, membership chairman, and an invitation to business friends to drop by the "Y" at 2 p.m. for a cup of coffee.

On Thursday state officers led by Mrs. Mary Lou Koonce, president, will make a stop at 10 a.m. at the office of the Illinois Power Co. when Miss Jo Leslie will be the hostess and Mayor Leonard Davis will present Mrs. Wortman.

During the business hour new members were enrolled. They were Miss Lola Mayfield, Miss June Fowler and Gary Frost. Speakers for the month were appointed and plans were made for a Halloween party. Mr. and Mrs. Don Hayes will be in charge.

Refreshments were served to the above and Mrs. Bethel J. Davis, superintendent of the Mission, Gordon Hargrett, Jackie Hill, Connie Dean and Earlene Hayes.

Koonce with a key to the city. Saturday the week's activities will close with a breakfast from 9:30 until 11 o'clock in the home of the president, Mrs. Wortman, 2460 Washington avenue. This is for fun and women interested in becoming members will be welcome.

Across the county, American women are accepting "The Responsibility of Full Partnership" in their jobs, their communities, their country, Mrs. Wortman said. "Only by working together toward a goal of better training, can we hope to fill the future needs of our growing economy."

"Currently, there are 24 million women in the Nation's work force, and the Bureau of the Census predicts a 25% increase in women workers by 1970, with progress fastest in the professional and technical fields" said Mrs. Wortman.

"Occupations which will need women include: doctors, nurses, medical technologists, nutritionists, chemists, engineers, teachers, community and social workers."

Mrs. Wortman pointed out that the National Federation of Business and Professional Women's Clubs, Inc., celebrating its 33rd National Business Women's Week, is helping women to develop their individual talents, to be prepared to accept the new responsibilities of the space age.

SENIOR LEAGUE HOLDS MEETING

The Senior League of the Gospel Mission held the first fall business meeting Tuesday evening in the Senior League room.

Donald C. Hayes, president, opened the meeting with prayer. Devotions by Miss Joyce Fowler followed.

During the business hour new members were enrolled. They were Miss Lola Mayfield, Miss June Fowler and Gary Frost. Speakers for the month were appointed and plans were made for a Halloween party. Mr. and Mrs. Don Hayes will be in charge.

Refreshments were served to the above and Mrs. Bethel J. Davis, superintendent of the Mission, Gordon Hargrett, Jackie Hill, Connie Dean and Earlene Hayes.

WCTU WILL MEET WITH MRS. BEST

The Woman's Christian Temperance Union will meet Friday evening in the home of Mrs. Van W. Best, 1941 Benton street.

The state convention of the WCTU will be held Oct. 15-17 in the First Baptist Church in Van. Several members from this area are planning to attend.

Ramblers Go On Sale Thursday At Brewer's

American Motors today announced new and broadened 1964 Rambler Classic and Ambassador lines and a drastically changed Rambler American.

The cars go on display today at Brewer Motors, 2165 Madison avenue.

The American has undergone its first complete body change since the series was introduced in 1960. The overall length has been increased from 173 to 177 inches with all the added inches going into greater passenger comfort and more usable space.

"For example, hiproom in the rear seat has been increased 12 inches and cargo space in station wagons increased nearly 20 per cent," according to local dealer J. E. Brewer.

The American is offered in 10 models and 14 colors. It extends chassis lubrication requirements to 33,000 miles or three years.

Styling refinements, new hardtop models and new convenience

options are prominent among the advances in both the top-selling Classic line and the Ambassador luxury line.

The Classic hardtops, available in a Six or V-8 feature a "fast-back" roof which flows, at a rakish angle into the body. Both wide and slim bucket seats with floor consoles are offered.

All Ambassadors include a full wrap-around instrument panel crash pad which continues back into the upper portions of the doors. Both models feature new grilles which impart a more massive appearance.

There is more vegetation in the seas than on land.

GC Woman Dies After Auto Crash In Alton

Mrs. Wilbert H. (Dorothy) Grafton, 43, of Route One, died this week in St. Joseph's Hospital, Alton, of injuries suffered in an auto accident there early Saturday morning.

Alton police said a car driven by Mrs. Grafton struck the rear of a truck parked in front of 207 East Broadway, Alton's main street, about 1 a.m. Saturday. She died Sunday.

A passenger, Clara Allen Cox, 30, of Alton also was hospitalized with injuries.

Mrs. and Mrs. Grafton operated a restaurant in Alton. Mrs. Grafton, who was born in St. Louis, had lived in Chicago until 1961 when she went to Alton to marry Grafton.

Survivors include her husband, Chauncey Robinson of Wood River; two sisters, Miss Sharon Robinson of Wood River and Mrs. Audrey Turner of Hammond, Ind.; and two brothers, Arnold Robinson of Hammond, Ind. and Chauncey L. Robinson of Griffith, Ind.

Funeral services and burial were yesterday in Alton.

Delayed Accident Report

An auto driven by Mrs. Doris Wilson, 37, of 2132 Waterman avenue, who was taking high school students to school, was struck by a car driven by Lawrence L. Jones, 1724 Bremen avenue, at 7:50 a.m. Monday at Washab and Clark avenues, according to an accident report filed later at the Granite City police station by Mrs. Wilson. The rear fender and bumper of her car were damaged.

Mercuries To Be Shown At Tri-City Motor Co.

The 1964 Mercury, which extends its coverage of the medium-priced market this year, will go on display for the first time tomorrow at the Tri-City Motor Co., 21st street and Madison avenue.

It includes two new series and a choice of roof designs, with emphasis on luxury and performance.

The two new series are the luxurious top-of-the-line Park Lane and the Montclair, which is located between the basic Monterey and the Park Lane. A new four-door fastback hardtop Marauder model is offered in all three series, and a Commuter four-door station wagon is added as a running mate to the highly-styled Colony Park.

Mercury also offers in all three series the unique "breezeway" roof with retracting rear window and the sporty two-door fastback Marauder first introduced last spring. The two-door car or as required.

Order Of Foresters Annual Meeting Saturday Oct. 10 On New Charge

(Special from Springfield)

Arrangement has been set for Thursday, Oct. 10, for Rno Zurkühlen, Granite City, who was indicted last week on a perjury charge related to an earlier case in which he and Quentin Peterson, Granite City, were indicted for allegedly possessing government-owned tools from the Granite City Army Depot.

The two have pleaded innocent to the original charge, and no trial date has been set. Federal Judge Fox on Monday set the new arraignment date for Zurkühlen and authorized him to remain free on his earlier bond \$1574.

UF Commercial Chairmen Named For '64 Drive

The fifth of seven United Fund solicitation drives today announced section chairmen for the \$122,223 drive which opens here Oct. 15.

Carl E. Mathias, chairman of the Commercial Division, listed chairmen for the eight sections and announced a briefing session for his workers at 4 p.m. Thursday at the Illinois Power Co. office.

The Retail Merchants Section, largest in the Commercial Division, was to meet at noon today for a pre-briefing session. The section will be headed this year by Jack Reese of Reese Drugs.

Allen Jesse, a section chairman in the 1961-62 drive, returns to head the Finance, Real Estate and Insurance Section. Last year this section took in the highest amount in the division, \$14,319.

Harry Wolff of National Auto Supply, a United Fund worker since the organization was formed, heads the Auto Sales and Service Section. Mrs. Elvira Thirmer of the Thirmer Agency, who worked in two previous campaigns, heads the Barbers & Beauty Shops Section.

Second year campaigner William F. Hoelscher, assistant secretary of the East Side Manufacturers Association, heads the Wholesale & Misc. Section.

First year workers handling sections, along with Reese, are: Edward L. Stone, manager of the A & S Store, who heads the Groceries & Confectionery Section; George Valicoff, owner of Bright Cleaners, the Cleaners, Launderers, Radio & Television Service Section; and Granite City Chief of Police Raymond J. Willard, the Restaurants & Liquor Licenses Section.

Last year the division collected \$30,012, or 32% of its goal. Categories have been completely revised for the 1964 campaign.

The United Fund helps support 18 agencies in the Quad-City area.

Two Autos Collide As Both Travel In Reverse

Two cars, both traveling in reverse gear, collided at 10:30 a.m. Tuesday on Leona street near Buxton avenue as one driven by Howard W. Whitten, 52, of 2030 Marshall avenue, was being backed out of an alley while another driven by Beskie Buyer, 38, of 3001 Marshall avenue, was backing out of a garage.

The rear bumper and trunk of the Whitten car and a rear fender on the Buyer car were damaged.

ILLINOIS MASONIC GRAND LODGE annual meeting delegates in Chicago tomorrow and Saturday will include (left to right) Treasurer Preston Ridings, Junior Ward George Lipscomb and Worshipful Master Harold Davis, all of Granite City Lodge 877; William Mehl, treasurer of Triple Lodge 835; and Clinton Barnhart, Lodge 877 senior warden. Not shown is Lawrence Lockhart, Granite City, a member of the Grand Lodge Masonic Home committee, who visited the Masonic Children's Home in LeGrange this week. Ridings also attended the Eastern Star Grand Lodge meeting in Chicago early this week.

PROCLAMATION

For National BUSINESS WOMEN'S WEEK

WHEREAS working women constitute 24.5 million of the nation's working force, and are constantly striving to serve their communities, their states and their nation in civic and cultural programs, and

WHEREAS a major goal of business and professional women is to help create better conditions for men and women through the study of social, educational, economic and political problems; to help them be of greater service to their community; to promote "full partnership" in all phases of daily living; to further friendship with women throughout the world, and

WHEREAS all of us are proud of their leadership in many fields of endeavor, and their acceptance of "The Responsibility of Full Partnership,"

NOW, THEREFORE, we the mayors of the Quad-Cities do hereby proclaim October 6 through 12, 1963 as "National Business Women's Week," sponsored by the National Federation of Business and Professional Women's Clubs, Inc. and urge all citizens in the Quad-Cities, all civic and fraternal groups, all educational associations, all news media and other community organizations to encourage and promote the celebration of the achievements of all business and professional women as they contribute daily to our economic, civic and cultural development.

FHA To Use Private Financing In Sales

Ray E. Yung, director of the Springfield Insurance Office of the Federal Housing Administration, today announced that the new FHA policy of using private financing in sales of acquired home properties is in full operation in the area served by his office. This policy, because of its success in the seven insuring-offices jurisdictions where it was tried out, was recently extended throughout the nation.

Under the new policy sales of acquired properties, instead of being financed with purchase money mortgages taken by FHA, will be financed with mortgage loans made by FHA-approved lenders and insured by FHA, unless the buyer prefers to arrange his own financing. Reasonable and customary costs of obtaining financing, as well as closing costs, will be paid by FHA in either case. No application fee will be required. A firm commitment will be issued to the lender promptly after receipt by FHA of an acceptable application for insurance of a mortgage.

The listing of a property for sale by FHA and FHA's stated sale price will indicate the willingness of FHA to insure a mortgage on the property for any acceptable buyer.

This new private financing system is in the public interest because it helps broaden the private mortgage investment field. The current mortgage market is especially favorable to it. The system also helps to expedite liquidation by FHA of properties acquired through the payment of mortgage insurance claims. Instead of receiving a mortgage when the property sold, the attendant servicing problems, FHA will receive cash and be able to close its accounts immediately.

Mr. Yung has determined maximum approval financing costs based on the lowest quotations from mortgages that he deems ready, willing, and able to finance the expected volume of sales in the area. A list of these mortgages has been made available to sales brokers in the area served by the insuring office.

This is how the system works, he said:

"A broker submits to FHA a sales contract accompanied by the buyer's earnest money, a credit report obtained by the broker from the FHA credit source, bank confirmation, and employment verification. The insuring office completes its processing of the case, including determination of the buyer's acceptability, before a formal application is submitted by an approved mortgagee. In this way, when the broker presents the transaction to the lender, the lender will know that it is acceptable to FHA. A simplified closing state-

ment has been developed by FHA for use in privately financed sales closings.

"FHA will accept a purchase money mortgage in special cases when private financing is not available at reasonable cost."

The free world's wheat production appears to be falling short of the 1962-63 record judging from recent crop reports.

For '64: the price is medium... the action maximum... the car is Mercury

PARK LANE WITH RACY MARAUDER STYLING

The "action" is provided by the type of V-8 engines that have made Mercury the new performance champion of the medium-price field—demonstrated in open competition including the most recent Pikes Peak Climb. A 390 cu. in. V-8 is standard a 427 V-8 optional. And only Mercury offers you two entirely different styling choices in one great car.

Mercury delivers more than the usual in all these ways: more performance, with the most responsive engines in its field. More leg room, head room, and entry room. More trunk space—11 suitcases fit (171 cu. ft.). And a far greater styling choice: racy Marauder styling (left) or Breezeway Design (right), with the only rear window that opens for ventilation, stays clearer in rain or snow. SWIU To Offer Parent-Child Relation Course

Starting Saturday, Southwest Illinois University will offer a non-credit course in parent-child relationship at Alton.

Designed for parents who are interested in learning effective ways of changing their behavior as they interact with children, class sessions will meet from 10:30 a.m. to noon each Saturday for nine weeks in Room 100, Annex A, at the university's Alton center, 2809 College avenue.

Cameron W. Meredith, SIU education division head, and author, consultant, and television lecturer, will serve as teacher.

He has planned the classes to allow parents to observe and participate in group parent-counseling sessions, and if it is wanted, to receive counseling in parent-child relationships.

After the first meeting a supervised playroom will be available for children between the ages of three and 12 while their parents are in the classroom. Family tuition will be \$8.10. No textbook is required. Enrollment registration may be made over the telephone through the office of SWIU's Industrial and Technical Programs supervisor, E. E. Casstevens.

He can be reached at extension 228 or 239 through any of the university switchboards (Bridge 4-2100, East St. Louis; 1-862-1043, Alton) or (650-3970, Edwardsville).

Two Fire Alarms Occur At Same Time Monday

Two fire alarms, which were turned in almost simultaneously Monday afternoon, resulted in a total loss of \$55, including \$50 to the 1959 auto of Mitchell Ahning, 2220 Cleveland blvd., and \$5 to the kitchen in the apartment of Steve Jeffus, 2314a Grand avenue.

Firemen from the West Granite station answered the alarm for the auto. They said Ahning was working on the car in the garage when it backfired and caught fire. He was not hurt.

A faulty valve on a kitchen gas stove caused a flareup at the Panis home in a two-family brick flat. Firemen turned off the gas at the meter.

Counseling Service To Be Provided By Ministers

A marital counseling service will be provided by the Grand City Ministerial Association through the Protestant Welfare Agency starting Nov. 1.

Announcement of the service was made at Tuesday morning's meeting of the Ministerial Association at St. John United Church of Christ, Rev. George Sagen, pastor of the First Baptist Church, Granite City, heads the committee of ministers in charge of the service.

Other committee members are Rev. R. F. Hibbett of the Free Methodist Church and Raymond Switzer, Dewey Avenue Methodist Church.

In a survey of association members, 42 ministers said they would assist.

Rev. Sagen remarked, "All of these men are well qualified through education and years of practical experience."

Appointments may be made at the Protestant Welfare Agency office, 2032 Edison avenue. The counseling service also will be carried out there.

Miss Hotz Named To Audit Advisory Board

County Clerk Miss Eulalia Hotz has been named one of three county officials to serve on a county audit advisory board of 10 members to aid State Auditor Michael J. Hewlett with the enforcement of the new county audit law.

The law, enacted in the 73rd General Assembly and Signed by Gov. Norner on Aug. 3, requires audits of county officers by professional accountants in 87 Illinois counties of 10,000 to 500,000 population, including Madison county.

The advisory board is composed of three county officials, three certified public accountants and four representatives of the public.

Hewlett said that when the provisions of the law are fully operative, "any citizen will be able easily to check on items of income and expenditure in his own county and compare them with figures of a similar size through a state summary."

Pastors Plan Report On Racial Relations

A report of race relations and "what churches can do to improve relations with churches and the importance of personal attitudes," will be presented by the Union Thanksgiving Service to be conducted this year by the association at St. Peter R. & R. Church on Nov. 27 at 7:30 p.m.

Rev. Billie Cox, Granite City, Army Depot chaplain, is in charge of arrangements, and the committee will select a speaker.

Following Tuesday's business session, John Solenberger, executive director of the Tri-Cities Area United Fund, showed a film strip of area United Fund agencies and their activities.

United Fund Sunday is to be observed on Oct. 13.

Rev. Sagen explained, "The purpose of the counseling service is to render service to any and all who need help. The pressures of modern life are often too great for individuals or families to handle by themselves. The ministers without remuneration are offering their help."

The services will be available to persons making appointments. Rev. Sagen added that the ministers have the assurance from both medical and legal groups for assistance when needed.

Three ministers will serve each month to provide the counseling service. For November they will be Rev. G. L. Kujawski, Rev. J. N. Deliacono and Rev. N. F. Crayons. Those to serve in December will be Rev. Truman Collier, Rev. R. F. Hibbett and Capt. Milford Walker of the Salvation Army.

In January, the service will be provided by Revs. Paul Evans, Raymond Trover and Frank Pierce; in February, Revs. Raymond Scitler, Keith Stanford and Samuel Boda; and in March, Revs. Sherman Wilson, Alfred Bala and Clair Clark.

The April conference will be conducted by Revs. Bill Bryan, Robert Baumann and R. F. Hibbett, and in May by Revs. James Frankel, George Reeder and Eugene Reaser.

Student Council, Class Officers At VHS Are Selected

By EVELYN RITZ

The Venice high school Red Cross chapter held a special meeting recently which was conducted by the new president, John Shambro, assisted by Ronald Gutschmidt, faculty sponsor.

At the meeting, the sophomore junior and senior members decided to accept six new members from the freshman class.

Class representatives chosen to comprise the student council are freshmen Brenda Brown and Bob McIntosh, sophomores Barbara Manier and Terry Cooper, juniors Mary Donah and John Shambro and seniors Dorothy Wilkinson and Richard Patterson.

The officers of the student council for 1963-64 are: Mary Margaret Caruso, president; Marilyn Gontemmer, vice-president; Jackie Lake, secretary-treasurer.

Class Officers

Class officers for 1963-64 chosen from the freshman class are: Tom Hilde, president; Richard Eastington, vice-president; and Barbara Kutz, secretary-treasurer. From the sophomore class, Terry Cooper, president; Jerry Devany, vice-president; and Barbara Manier, secretary-treasurer.

From the junior class, Bill Getz, president; Kathy Ochoa, vice-president; Marilyn Gontemmer, secretary; and John Shambro, treasurer. Band officers are: Joyce Daniels, president; Margaret Caruso, vice-president; Karen Rodgers, secretary-treasurer; and Richard Patterson, sergeant-at-arms.

Chorus officers for the new school year are: Kathy Yearan, president; Mary Jane Gray, vice-president; Diane Witkow, secretary; and Marjorie Fritter, treasurer.

Yearbook Workshop

The publication class began yearbook sales yesterday. Miss Nancy Scuturo, Miss Kathy Ochoa and Miss Barbara Williams, faculty advisers, will attend the fall workshop on "Finalizing Yearbook Planning" Saturday at Washington University. The sessions will begin with registration at 8:30 a.m. and will adjourn at noon.

The main speaker for the sessions will be James Bolin, senior director for the Taylor Publishing Co. Prof. James McClure of the Washington University faculty will give the welcoming address.

Miss Scuturo is serving as editor of the 1964 Venetian with Miss Ochoa as her assistant.

Koenig With Orchestra, Set To Practice Teach

William Koenig of Granite City, a student at Central Methodist College, Fayette, Mo., is a member of a college and community orchestra which is rehearsing for its first concert on Dec. 6. The orchestra is composed of 30 students and a number of residents of the Fayette area. He plays the tuba.

Koenig, son of Mr. and Mrs. H. Koenig, 2538 Sheridan avenue, teaches "Fashions in the Future" this fall in the Fayette junior and senior high school. He is a senior and a physical education major.

'Who Is Sylvia?' Next On YMCA Panel Program

A new program of weekly discussions of teenagers and adults entitled "In My Opinion" opened Tuesday night at the YMCA and will continue at 7 p.m. next Tuesday.

A film entitled "Who Is Sylvia?" will be shown, and a panel discussion will follow under the direction of Dr. Raymond Troyer, assistant professor of psychology of Southwestern Illinois University.

Opening Of JA Center Delayed, To Start Oct. 14

Opening of the new Granite City Junior Achievement Center at 2307 Walsh avenue will be delayed a week, it was announced today by the JA regional office in St. Louis.

Formal opening will be on Oct. 14. It had been scheduled to open Monday, but remodeling of the new center, being conducted at a cost of \$7000, will not be completed in time.

JA officials have visited students at the area high schools, describing the organization and its operation and receiving applications which are being processed at the regional office.

Students will be informed of their company assignments and schedules by mail. The center will be in operation from 7 to 9 p.m. Mondays through Thursdays, and each Achievement firm will be operating one night.

Operations will continue on about the same basis as last year, with local industries to co-operate in their advisory capacities. Products to be manufactured will be determined by the students and their advisors.

Press-Record YOUTH FOCUS

16-Year-Old Student Is 'Up In The Air'

PILOT LANA SUE MIDYETT, 16-year-old Granite City high school junior, at the controls of a Piper Cub plane, which she used for her recent initial solo flight at Lakeside airport. Her father, Omar Midyett, operates the airport.

Many students at Granite City high school are involved in extracurricular activities, but few, and probably not more than one, can fly an airplane.

The young pilot is Lana Sue Midyett, daughter of Mr. and Mrs. Omar Midyett, Rural Route One. Her father operates Lakeside airport.

She asked for the first time on her recent 16th birthday, an age when most students feel fortunate if they can switch from riding a bicycle to driving an automobile.

Miss Midyett, GCIS junior, hopes to obtain her private pilot's license on her 17th birthday, the minimum age.

She had 27 hours of flying time, 16 hours are the required minimum, before going up alone for the first time. She first flew a Piper Cub, followed up with a Cessna 472.

Before winning her pilot's license, she will have to pass a cross-country test and learn all of the rules and regulations of the Federal Aviation Agency pertaining to a private license.

Her instructor is her brother, Charles "Chuck" Midyett, the flight instructor and sales manager at the airport. He also soloed on his 16th birthday on Aug. 31, 1962, taking up six planes that day.

She is the fourth flying member of the Midyett family. Her father is a pilot, as is her sister, Mrs. Jeanie Timball, employed in the airport office as a secretary.

Two GC Youths Enroll At Blackburn College

Two Granite City youths recently enrolled as new students at Blackburn College, Carlinville, and began work at the college under the "work-study" program which is celebrating its 30th anniversary this fall.

They are Mrs. Janet S. Moore and her husband, Thomas E. Moore, both of Granite City, who underwent a week of orientation as part of the 153-member class of 1967. The two were recently married.

Mrs. Moore, daughter of Mr. and Mrs. W. D. Crawford, Vandalia, is a 1962 graduate of Glenwood high school, Chattanooga, where she was president of the National Honor Society, valedictorian of her class and an exchange student to Norway.

Thomas Moore, son of Mr. and Mrs. John McCabe Moore, 2239 Edison avenue, is a 1962 graduate of Granite City high school where he was a member of the tennis and cross country teams and of the Junior Achievement Club.

The work program at Blackburn recently was adopted by the U.S. State Department as a form of foreign aid to college poor nations.

Janet Moore Selected For U. Of I. Choir

Miss Janet Moore, daughter of Mr. and Mrs. John McCabe Moore, 2239 Edison avenue, is among vocalists of top choral ability selected to sing in the University of Illinois Concert Choir, directed by Dr. Harold A. Becker, at the Industrial College of the Armed Forces at Washington, D. C. A graduate of the University of Southern California at Los Angeles, Capt. Sparks joined the service in April 1941.

Enters Service College

Navy Capt. Robert E. Sparks, husband of the former Miss Mary Jane Sparks, 2239 Edison street, recently reported as a director, announced today that he will make his first public appearance during his homecoming activities Oct. 20, sponsored by the University of Southern California at Los Angeles.

NEW COMET, to go on display for the first time tomorrow at the Tri-City Motor Co., undergoes its first complete change since 1960. This Caliente hardtop is one of three models in a new series.

New Comet Display Set At Tri-City Motor Co.

The compact Comet for 1964, which undergoes its first complete change since introduction four years ago, will go on display for the first time tomorrow at the Tri-City Motor Co., 21st

street and Madison avenue.

The completely redesigned Comet, including a plush new Caliente series, has all new exterior sheet metal, improved ride and handling characteristics and greater passenger room. It attains new standards in performance with a new three-speed automatic transmission and a broad range of four engines, including a new 280 cubic-inch V-8 and a new 200 cubic-inch six.

The wheelbase is continued at 114 inches and overall length and height are virtually unchanged. The width is increased one inch, and the new styling makes it appear larger.

Improvements in driving posture, leg room and head room in the front are provided by increasing seat travel one inch, shortening the length of the steering column and introducing a new steering wheel with a one-inch smaller diameter. Four seat leg and knee room are improved by moving it backward 1.4 inches.

Interiors are more luxurious, with the Caliente interior rivaling that of the most expensive cars. A new instrument panel on all Comets includes gauges instead of lights for oil pressure and generator.

Power brakes and AM-FM radio are options for the first time, and power steering is available.

The 1964 Comets are offered in 10 models in three new series: destinations — the Comet 202, 404 and Caliente. Bucket seats with console are optional in the Caliente models and without console in the 404 two-door sedan. Two-door four-door sedans and four-door station wagons are offered in the 202 and 404 series. A two-door hardtop convertible and four-door sedan are offered in the Caliente series.

Weekend Events Set At Presbyterian Church

The Sanctuary choir of First United Presbyterian Church will rehearse at 7:30 p.m. today, and release at 7:30 p.m. today, and after a business meeting co-hosted by Evelyn Nelson and Maureen Hollis are to be in charge of a social hour. Keith Jackson will conduct the program, Friday at 4 p.m. The Carriers will assemble for a planned program.

On Saturday the church will begin a series of catechetical classes. Rev. Dr. David M. Maxton will conduct the morning sessions for the senior highs at 8:30, beginners at 9:30 and advanced classes at 10:30. The meeting will be held in the annex.

World Wide communion will be observed Sunday at both 8:30 and 11 o'clock. The pastor and 21 elders will serve.

Miss Frances Lynch, chairman of the nominating committee will meet with her committee at 2 p.m. Sunday. Nominations are open for seven elders, seven trustees, seven deacons and seven deaconesses to serve for three years, subject to the approval of the congregation at its next meeting.

Immunization Clinic Saturday At Hospital

The monthly immunization clinic at St. Elizabeth Hospital is scheduled for 8 to 10 a.m. Saturday in the special room near block planes which has been furnished to make decorative remodeling.

The Dr. Drogge decided to give the items to the museum after working from Madison to L-14 avenue recently. The prize possession was the wardrobe, which was in constant use, throughout the 101 or 102 years.

The Dr. Drogge figures it was made about 1861 or 1862 at a time when houses had few or no closets. He pointed with pride to the intricate and detailed workmanship of his grandfather.

GC Family Gives 101-Year-Old Wardrobe To County Museum

The new Madison county Historical Museum, being located in the Weir House along Main street, Edwardsville, was enriched by Granite City's this week.

The Drogge family presented the museum with a hand-made, solid walnut wardrobe that is over 100 years old; an old, two-wheel coffee mill; a pair of antique rolled-end ice skates and a zipper made in 1894 and in perfect condition, even to the pick.

Presentation of the items was made to Mrs. Austin Lewis, wife of the county probate judge. She is a member of the county's Historical Society board of directors.

The wardrobe, which has been in use for its entire 101 or 102 years, is still in near-perfect condition with a high polish. It was made in St. Louis by Herman Drogge, grandfather of Herman Drogge, 2253 Lee avenue, M. J. and Mrs. Drogge made the presentation of the items to Mrs. Lewis at their former residence, 2212 Madison avenue.

Mr. Drogge said his grandfather was a cabinetmaker in St. Louis when he made the wardrobe, which closely resembles the present built-in closets in modern homes with sections for folded clothing, drawers and a large space to hang clothes.

At Same Spot Since 1903 No value was placed on the item of furniture. It is eight feet tall, five feet wide and two feet deep. Drogge told the Press-Record it has been located in the same place, in a hallway atop a flight of stairs, since 1903. Now it will be moved to the new museum to be used as part of the furnishings.

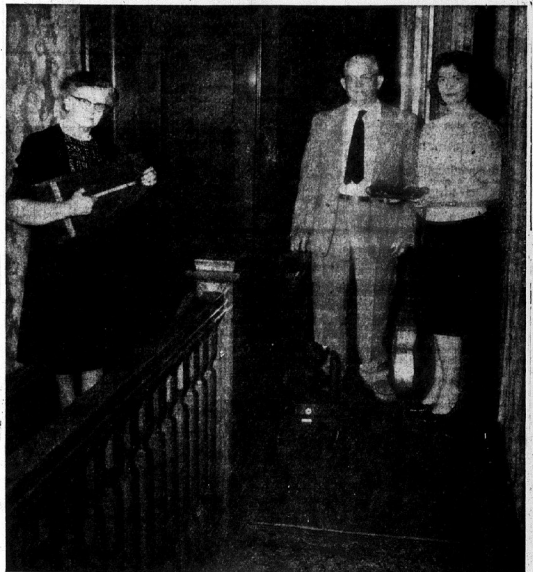

The father still plans and Mrs. Drogge strummed it a few times while the picture appearing with this article was taken. The animal skins are intact. It was manufactured in New Jersey.

The ice skates were slightly rusted and the leather toes and ankle straps were beginning to deteriorate, but Drogge was of the opinion they could be cleaned and refurbished.

He also has about a dozen appearance in the older type of houses with high ceilings and large rooms.

Mrs. Lewis said the new museum home is of that design and the wardrobe will be a standout item.

Madison Mishap Monday A collision on State street, at Fifth, Madison, Monday damaged the front of the auto of James H. Luaders, 19, Edwardsville, and the rear of the car of Clarence Bury, 6th East Chain of Books road. Both had been driving south on State.

HISTORICAL ITEMS for the Madison County Historical Museum being presented by Mr. and Mrs. Herman Drogge to Mrs. Austin Lewis (right), an official of the Madison County Historical Society. The items include a 101-year-old walnut wardrobe, a zipper (being held by Mrs. Drogge), a pair of cuffed-end ice skates, and an old coffee mill (on the floor).

27 Youths Take Pre-Draft Physical Exams Today

A group of 27 Quad-City youths reported this morning to the county selective service office in Edwardsville for pre-draft physical examinations.

The area's draft quota this month is for 16 youths to be drafted Oct. 22.

For 1964...Comet announces a car that's every bit as hot as it looks...

Comet Caliente

This is the beginning of a new kind of Comet. Hot, husky, handsome—top series in Comet's '64 lineup. Engines range up to a 4-barrel Cyclone 289 cu. in. V-8 in all Comets.

"Caliente" means hot... In Spanish. And this new Comet speaks the language. It looks hot. And it is! Your choice of four engines provides the punch. The topser is the big Cyclone 289 V-8—most responsive in Comet's field. More choice.

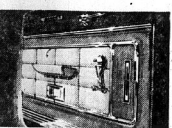

Now Comet offers 3 series... the top-of-the-line Caliente, and the economical 202 and 404 series. Ten models... all bold and racy. A wide transmission choice, too, including a smooth, silent, new Multi-Drive Merc-O-Matic—unmatched at the price.

Elegance at a compact price

Prime example of Comet's new elegance is the Caliente, with the warm look of walnut on the interior trim... plus lavish biscuit-pattern upholstery.

Power steering... power brakes... AM-FM radio... air conditioning... every luxury option is available in the new Comets. You can even get it... but not Ask your Mercury dealer about it. Soon.

Memorial Methodist Church, taught in a missionary school there.

Rev. Sims narrated while showing virtually all aspects of Japanese life—the land, the cities, the farms, small towns and the people.

The films covered every season and showed Japanese wearing apparel and methods of preparing food.

The meeting was one of the "know your Rotarians" series. The program was arranged by Donald Hayes.

Next Tuesday, Homer Huber will present a program on retailing.

Fire Prevention Week preparations being made by Granite City fire fighters William Paterson (left) and Assistant Chief Curtis Donley, who like up equipment for demonstrations. The triangle box on the left, equipped with lights, gives the component parts of a blaze; the smallest box is used to demonstrate dust explosions, while the larger box is to show how a broken light bulb will ignite gas and the largest box demonstrates the dangers of overloading electrical circuits.

Fire Departments Prepare For Fire Prevention Week

Fire Prevention Week begins Sunday.

To create interest in the prevention of fires, firefighters of the Quad-Cities departments are distributing 5000 Junior Fire Warden magazines to grade school youngsters to be taken to their parents.

Assistant Fire Chief Curtis Donley of Granite City said the magazines are being passed out by the Granite City, Madison, Venice, Mitchell and Long Lake departments.

"My plan," he said, "is for the magazines to go to every youngster in grades kindergarten through the fourth."

Fire Drills At Schools

In addition, fire drills are to be scheduled—dates to be kept secret—at public and parochial schools throughout the Quad-Cities.

The observance of Fire Prevention Week, which conducted nationally only once a week, is being extended here.

Chief Donley said he will present his demonstrations of home fire safety, fire precautions and fire drills, along with slides at a safety committee meeting next Tuesday at General Steel Industries and before the Nied-

ringhaus school and Lake school PTAs the week of Oct. 21.

Firemen have distributed Fire Prevention Week placards to business places and schools.
